

THOMAS VIADUCT MIDDLE SCHOOL STUDENT SUPPLIES, 2014-2015

The items below are maximum quantities needed and are merely a guide. Due to the nature of the middle school schedule, teachers may request fewer quantities than those listed below.

We suggest you keep all receipts and original packaging in case items need to be returned.

Student Planners will be provided to each student, free of charge.

Throughout the year, your child's teacher(s) may identify items for donation that they may need for their classrooms. If you would like to donate such items, it is certainly appreciated. Thank you.

The TI-84 Plus Graphing Calculator will be used regularly in your child's *algebra* and *geometry* class. If your child is enrolled in these classes, we strongly suggest that he/she has access to a TI-84 plus or TI-84 plus silver edition graphing calculator for use at home to complete homework assignments.

A standard scientific calculator will be used regularly in all other math classes, and will be available for children to use in school. If you wish to purchase a calculator for your child, we suggest that you wait until your child meets his/her teacher or until more information is sent home once school begins.
